The OneJax workshops offer students the opportunity to practice healthy communication, empathy and understanding.

The workshops allow students the space to get to know their classmates beyond the surface.

OneJax helps create an environment where students are seen, heard and loved for who they are.

OneJax tailors each program to meet the needs of the school community and meet the students where they are.

OneYouth staff includes experienced educators who are passionate about what they do.

Classes & workshops are dynamic, interactive, revealing and fun!

Discussions can include difficult topics students struggle with every day, such as self-advocacy, self-reflection, honest and healthy communication with peers, vulnerability, discrimination, racism, etc.

Through these workshops, OneYouth can help shift the school culture to one of belonging.
